ChargePoint Electric Vehicle (EV) Charging Stations Instructions

- Download the ChargePoint App

- Set up your account, which will include how you'll pay for charging your EV

- For iPhone, you can load ChargePoint to your Apple Wallet for easy access

- EV chargers are on garage level 3 in spaces 120-122

- Open the app/wallet and place your phone over the charger, which will unlock a port to plug into your EV

- Typical charge time 1-3 hours

- The app will allow you to access and use ChargePoint EV chargers anywhere in the U.S. and Canada
