RE: Parking Garage Cleaning Schedule and Instructions

Beginning on Monday, May 3, 2010 thru Friday, May 7, 2010, from 8:30 AM to 4:30 PM daily, the Parking Garage Cleaning Project will take place. The cleaning will entail the wiping of the overhead pipes and ledges and the scrubbing and sweeping of the garage floors.

We realize the logistics of this project are difficult, however, all cars and bicycles must be moved on the scheduled day listed below for proper cleaning. Please make arrangements for the removal of your vehicle and/or bicycle if you are unable to move them yourself.

The garage cleaning schedule is as follows:

Monday, May 3, 2010	4th Floor
Tuesday, May 4, 2010	3rd Floor
Wednesday, May 5, 2010	2nd Floor
Thursday, May 6, 2010	1st Floor
Friday, May 7, 2010	Lower Level

Please follow the instructions on the posted signs on each floor of the garage. Please do not park in reserved spots unless they are yours.

All questions or concerns regarding this project should be directed to Joe Gier or myself at Village Management, Inc. at 410-323-1778. Thank you for your cooperation in this matter.
